Thank you

Dear students & teachers,

Thank you for raising €364.16 from your recent bake sale to help Ireland's sick children.

That's a thank you from me, from Crumlin's little heroes and from their loving families, who face such heartache when their children are ill.

Your generous support is helping to care for and cure our little patients. Each and every one of them is a little hero, who deserves the very best care – the best possible chance.

For the last 50 years, kind people like you have helped provide the best care and treatments to children from all over Ireland who are ill.

The families of sick children take comfort from knowing their little one is getting the best possible care. So with your gift, you're helping to give sick children and their families hope.

With my best wishes,

Yours sincerely,

Community Fundraising Manager
